

ROCK YOUR SOCKS FOR WORLD DOWN SYNDROME DAY

#ROCKYOURSOCKS

ATTENTION MONTGOMERY COUNTY SCHOOL DISTRICTS!

On Friday, March 20, we invite your students, teachers, staff and administrators to Rock Your Socks in observation of World Down Syndrome Day (WSD).

Wear your most **colorful, cool socks** to celebrate people with Down syndrome (DS) in your school community. People all around community, country and the world will be celebrating with you!

Many schools have used this day as an opportunity to educate students about Down syndrome and help foster a school community that celebrates diversity, differences and inclusion. We have some great resources listed on our website to help you plan your celebration: <https://mcdsig.org/education/explaining-down-syndrome/>.

Thanks for participating in this worldwide celebration!

Share a pic of your school rocking your socks!
